

HEALTH AND SAFETY POLICY STATEMENT

It is the policy of Interactive Business Ltd to take all steps reasonably practicable to meet its responsibilities for providing a safe, healthy workplace and environment for staff, learners and visitors.

In particular it will ensure the provision of:

Safe premises, a safe place of work, and safe access to and egress from them;

A healthy working environment with adequate welfare facilities;

Adequate supervision, instruction, information and training to ensure so far as is reasonably practicable the health and safety at work of all employees and that of other persons;

Plant, equipment and systems of work that are safe and without risk to health;

Arrangements for the safe use, handling, storage, transport and disposal of articles and substances;

Statutory compliance is accepted as a baseline standard.

Integral to the success of the policy is a partnership approach with staff, learners and other representative bodies to develop a culture supportive of health and safety. As a learning organization, Interactive Business Ltd will actively promote the correct attitude towards health and safety as an essential and integral part of the education and training process. Learners, through a quality learning experience will

Gain an understanding of the importance of health and safety;

Understand the process of hazard identification, assessment of risks and the principles of control;

Develop safe behaviour, so that they play an active part in the process and acquire practical, transferable skills;

This statement reflects the commitment to the continuous improvement of health and safety performance of Interactive Business Ltd.
